Three guys from North Carolina walk into a church in Dingle (it was Other Voices week in Kerry) and almost blow the roof off. We didn't know much about Megafaun (other than their strong association with Bon Iver), but they gave a display of what could only be described as math alt.Americana blended with Crosby, Stills, Nash and Young force-fed the works of John Fahey. Truly amazing. They'll be back. Words: **Tony Clayton-Lea**. Photograph: **Siobhán Dempsey**
