Anna Calvi – *Anna Calvi* (Domino)

ANNA CALVI is a name you are going to hear a lot this year. She is the owner of one of pop's most powerful, sultry, and hypnotising voices.

She holds an aura of mystery with her slicked back hair and dark eyes. It is as if Anna knows something you do not, and she is not telling you what that is!

Her self-titled album holds a certain charm, every song is perfection. From the opening track, 'Rider To The Sea', which shows off her amazing guitar playing, to the sultry, Dusty Springfield-esque 'First We Kiss', Anna knows how to draw her audience in and keep them interested.

If you are still unsure, which you shouldn't be, check her out on *Other Voices* on RTÉ Two on Wednesday February 16.
